Teachers' examinations are held in Medina on the first Saturday of September, October, January, March, April, May, and on the last Friday of June and August.

Lame Every Morning

A Bad Back is Generally Worse in the Morning. Medina People are Finding Relief.

A back that aches all day and then causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

You can't get rid of that kidney backache, until you reach the cause, the kidneys. Doan's Kidney Pills are especially made for weakened or disordered kidneys having been recommended by thousands.

Testimony of Medina people proves the merit of Doan's.

G. Lutz, 247 S. Huntington St., Medina, O., says: "I had a very lame back and severe pains across my loins. It hurt me to straighten after stooping. I couldn't rest well and mornings I was stiff and lame. I had to pass the kidney secretions too frequently and they were unnatural. When I read about Doan's kidney pills, I used them. After I had taken three or four boxes I could rest better. The kidney secretions became natural and the backache and lameness was relieved. Doan's Kidney Pills did me more good than any other remedy I ever took."

Price 50c, at all Dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lutz had. Foster-Milburn Co., Props., Buffalo N. Y. adv.

You can make Better Cough Syrup than You can Buy.

A full pint for 50 cents, which would cost you in the regular way not less than \$2.00.

Just pour an 8-ounce bottle of Glyco-Pine, costing 50 cents, into a pint bottle, fill with granulated sugar and shake. Or get a 3-ounce bottle of Glyco-Pine, costing 25 cents, pour into a 6-ounce bottle and shake.

From the 25-cent size you have three times as much syrup and from the 50-cent size four times as much for the money as when bought ready made and only takes a few minutes. In the course of the year this will save a family many dollars.

Glyco-Pine is an extract made from Glycyrrhine, White Pine compound and other valuable expectorants. There is no formula known that will loosen a cough and heal congested lungs so quickly.

After using a bottle no one could induce you to take something else next time.

A bad cold, sore throat or obstinate cough is a serious matter, as very often they result in a settled cough on the lungs. They are most quickly and effectively relieved by Glyco-Pine, which works like magic.

Glyco-Pine is particularly well adapted to children from the fact that it contains no opium, morphine or other narcotic additive.

The manufacturers of Glyco-Pine authorize all dealers to refund the price to any customer who returns the empty bottle and thinks he ever took anything better.

Your druggist should have Glyco-Pine. If not, send to Ajax Chemical Co., Akron, O.

JUDGMENT

The line between profit and loss—between success and failure, is so fine that it takes a man of judgment to see it.

Judgment is a mixture of common sense, experience and observation.

CREAM SEPARATORS—Now is DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give one hundred dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
